## unforgettable weddings

Let nature be witness to your vows. Choose from the breathtaking settings within the reserve for your ceremony and reception. Leave all the arrangements to our personal wedding planner. We cater for weddings of up to 40 guests and offer special packages for wedding groups and honeymoon couples.

## extraordinary occasions

Whether it's a honeymoon, birthday, anniversary, reunion or family get-together, Bushmans Kloof provides an idyllic setting for life's special celebrations.

## meetings and incentives

Strategy meetings, incentive groups and team building seminars take on a new depth when they're held in nature's playground. Choose a location within the reserve or utilize our conference room, which is equipped with state-of-the-art equipment and all the extras. We can tailor-make programmes like raft building, survival games or riverside picnics for invigorating breakaway sessions and will adjust menus to cater for group requirements.

a gourmet experience

making a difference

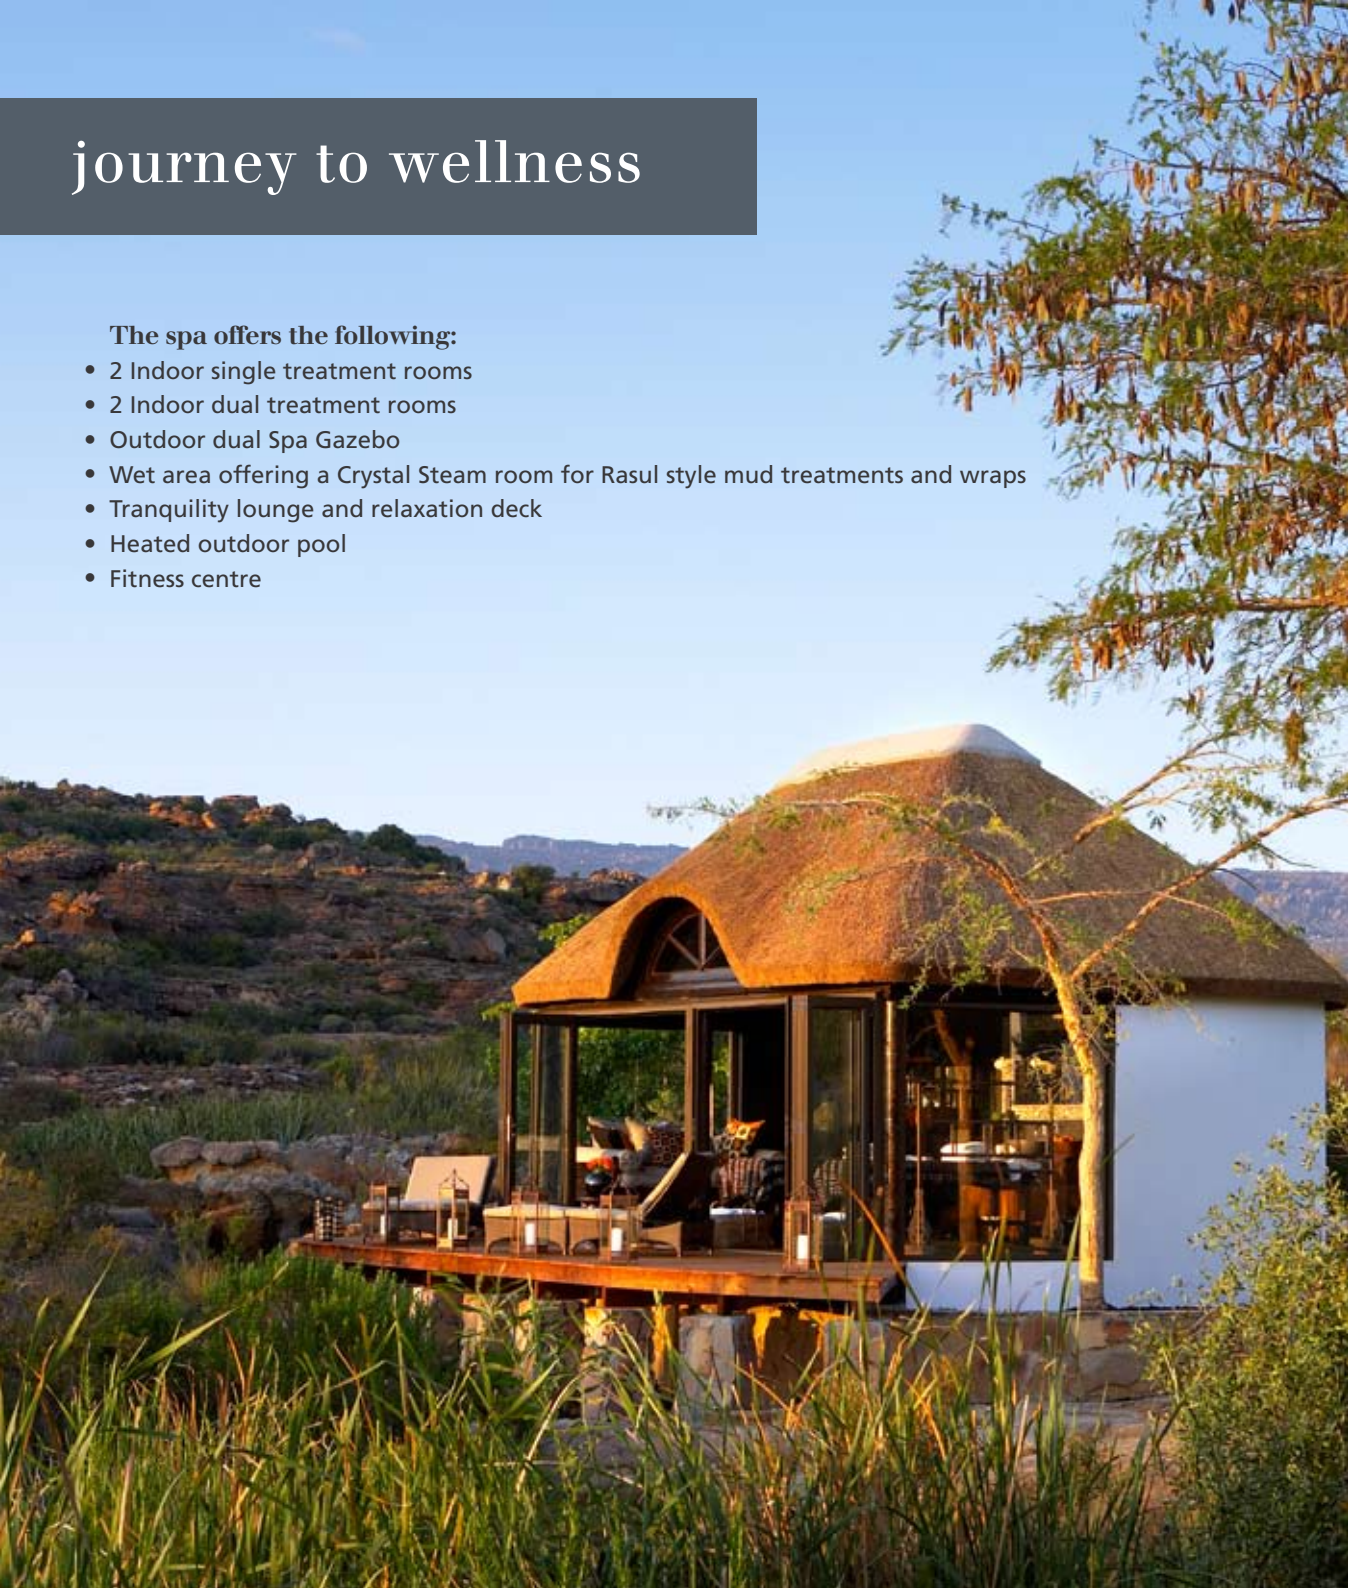

Sound environmental practices form the very backbone of Bushmans Kloof. We are a National Heritage Site and the Global Winner of Wildlife Conservations Programs in the Condé Nast Traveler World Savers Awards (2009) as well as the prestigious Relais & Chateaux Environment Trophy (2007). The reserve provides a sanctuary for the rare Cape Mountain Zebra, and has been pivotal in replenishing endangered Clanwilliam cedars into the area. We work closely with the local communities, providing training, support and employment and purchasing their products for the lodge. We are also playing an instrumental role in the community by involving the local schools in a tourism and conservation project called Footprints for the Future.

# journey to wellness

experience nature like  
you never have before

### **bushman rock art**

The reserve is custodian to over 130 San rock art sites – some of them dating as far back as 10 000 years. View ancient bushman artifacts in the Heritage Centre.

### **abundant wildlife**

150 Species of bird and 35 species of mammals (several of which are listed in the UUCN Red Data list) make Bushmans Kloof their home. Gemsbok, Bontebok, Cape Mountain Zebra, Eland, Black Wildebeest and Springbok roam free in the reserve.

### **unique indigenous flora**

Between July and October, thousands of Spring flowers transform the veld into a vibrant palette of colours. We've identified 755 indigenous plant species, including our very own 'Special Collection' found only in this area.

### **endemic rooibos**

Bushmans Kloof is situated in the midst of the country's Rooibos growing region; and we take full advantage of this nutritious and therapeutic plant in our complimentary teas, soaps and beauty products.
